COP23??????????????????????????????????Powering Past Coal Alliance

????????????NGO??????God Bless the USA ????So you claim to be an American, but we see right through your

8. ?We reaffirmed the importance of continued efforts towards improved energy access and energy affordability in order to address regional energy security and sustainability challenges, as well as promote high-quality infrastructure and keeping energy markets transparent and competitive. In this regard, we underscored the importance of the promotion of clean energy, such as renewable energy, clean coal technology, energy efficiency and cleaner and more efficient fossil fuels including enhancing the use of natural gas as a low-emission fuel. ?????
